

SAINT-TROPEZ

EN CHIFFRES

Parce qu'un chiffre est souvent plus clair et précis qu'un long discours, nous vous dévoilons ceux de Saint-Tropez qui font parfois tourner bien des têtes !

Figures are often clearer and more accurate than lengthy speech, so we have decided to show you Saint-Tropez in numbers. The results may surprise you! Textes : Yan Harcourt et Carine Roux

Le 1051 de Maxime Lamon est la première plage à être en totale conformité avec le nouveau schéma d'aménagement des plages de Pampelonne qui prendra effet la saison prochaine. A 21 ans à peine, Maxime a déjà un train d'avance avec son établissement de référence construit en matériaux naturels et son restaurant méditerranéen aux produits frais et locaux. Une adresse qui s'illustre également par la qualité de l'accueil !

The 1051 by Maxime Lamon is the first beach to fully conform to the new regulations of the Pampelonne beach restructuring plan set to enter into force next summer. At just 21 years old, Maxime is already ahead of the game with his leading establishment crafted in natural materials, which also boasts a Mediterranean restaurant featuring fresh, local produce. And to top it all off, the service is impeccable!
